

I am **LEO**

and I am **XIII** years old with my  in October. I have been playing hockey for 9 years.

HOCKEY is the sport I love and play with pride, I get a happy **thrill** when I step

out on the **cold, icy** rink.

I go to Britannia but before **highschool**,

I went to Lord Nelson for **grade 6 and 7**.

For **K to 5** I went to Queen Victoria Annex.

I play multiple sports and this year I started water polo  for the first time. Water polo is a very

intense sport. I am **passionate** about these sports because

they make me active and I can never stay still. When I play sports, I have lots of friends around to have

FUN

, laugh and compete against. **One of my pastimes is joking around and**

laughing. I am lucky to walk around knowing that I have lots of **amazing** **friends**.

My friends have given me a nickname of shoulders because last year I broke my **COLLAR**

BONE in hockey.
